Herat, Afghanistan · +93 790 190 450 (Phone / WhatsApp) · +93 781 554 000 · Ziarahimi2017@gmail.com · linkedin.com/in/ziarahimi · zia-rahimi1997.github.io

PROFESSIONAL PROFILE

Banking and financial services professional with hands-on experience in cash management, customer service, KYC/AML compliance and digital financial services. Currently a Cashier at Afghan United Bank (AUB), Main Branch Herat, also providing Head Teller backup support. Currently pursuing a degree in Economics and Management at Jami University.

PROFESSIONAL EXPERIENCE

Afghan United Bank (AUB) — Main Branch, Herat, Afghanistan

Cashier | Head Teller Backup · 2024 – Present

- Process approximately 80–120 customer transactions per day, including deposits and withdrawals.
- Manage cash operations and ensure accurate daily cash balancing and reconciliation.
- Operate Oracle FLEXCUBE (core banking system) and multiple digital banking and payment platforms.
- Perform customer identity verification and KYC procedures; support AML/CFT compliance.
- Identify suspected counterfeit, damaged and unfit banknotes; prepare and review transaction documentation.
- Handle General Ledger (GL) corrections and transaction narratives; support Head Teller operations when required.
- Deliver customer-oriented banking services and support digital banking and electronic payment services.

Afghan United Bank (AUB) — Islam Qala Customs Booth, Herat

Cashier | Head Cashier & Booth In-Charge Backup · 2024 (first five months)

- Gained practical experience in customs-related banking operations using ACSS.
- Processed customs and municipal tariff-related transactions.
- Took on additional operational responsibilities, including Head Cashier and In-Charge duties, when senior colleagues were absent.

Field Financial Services — ACDO / UNICEF-Supported Programme

Bank Representative — Teacher Salary Distribution · Herat city, districts and surrounding areas

- Represented the bank in salary distribution to local teachers across multiple locations.
- Used KoboCollect for beneficiary data collection and payment verification.
- Managed beneficiary information, field documentation and stakeholder coordination with a focus on data accuracy.

World Health Organization (WHO)

Supervisor · Contractual Assignment · 2016 – 2017

- Developed workplace discipline, responsibility, coordination and understanding of institutional work environments.

EDUCATION

Jami University — Herat, Afghanistan

Faculty of Economics and Management · April 2025 – Present

Focus: economic principles, accounting, management, statistics, financial calculations and business subjects.

Ghalib University — Herat, Afghanistan

Computer Science · 2015 – 2017 (four semesters completed)

Studies were interrupted for financial reasons; commitment to education continued alongside full-time work.
